

# Taiwan Journal of Physical Medicine and Rehabilitation

## Application Submission and Copyright Transfer Statement

I. I (and all other authors) hereby apply for submission to the Taiwan Journal of Physical Medicine and Rehabilitation for a (an) Original Article Case Report Review Article Brief Communication, titled as follows:

Title: \_\_\_\_\_

- II. I hereby ascertain that this paper has never been published in other journals, and agree that this paper will not be submitted to other journals during the journal review process or after publication in the journal. I hereby also agree to comply with the Instructions for Submission of the Taiwan Journal of Physical Medicine and Rehabilitation.
- III. All listed authors in this paper participated in the research and composition of this paper, and are responsible for revising, proofreading, and communicating with the reviewers of the Taiwan Journal of Physical Medicine and Rehabilitation. All listed authors express unanimous consent regarding the content and conclusions of this paper.
- IV. All listed authors consent to transferring the copyright of this paper to the Taiwan Journal of Physical Medicine and Rehabilitation once this paper is accepted and published by the journal. All listed authors retain the moral rights of the published content, and retain the rights to freely use the published content in collective publications, and for teaching purposes and personal websites. Reproduction of the published content in other journals or forms of publication is restricted unless consent is obtained from the Taiwan Academy of Physical Medicine Rehabilitation. The Taiwan Academy of Physical Medicine Rehabilitation reserves the right to publish this paper in a printed format in the Taiwan Journal of Physical Medicine and Rehabilitation and also in an electronic format, such as on the Internet, CDs, or other forms of publication, by the academy itself or by an authorized third party.
- V. This paper has been carefully checked and complies with the “Manuscript Checklist” for submission.

I hereby declare that all of the above is true.

Author Signature	Institutional Affiliation	Date

● Name of correspondence author, title and address of the author’s institutional affiliation, phone number, and e-mail of the author:

● Manuscript Checklist (Please read the following items and check if completed)

- 1. Includes three copies of the manuscript (one original draft and two drafts with the author names and affiliation information removed), which have been paginated according to instructions. Each copy of the manuscript has been properly compiled in the following order: title page, abstract and key words, main text, acknowledgements, references, tables, figures, legends, and English (or Chinese) summary.
- 2. The running title, name of correspondence author, and the title, address (in both Chinese and English), and the telephone number of the institutional affiliation of the correspondence author are specified on the first page of the manuscript.
- 3. References are typed in the correct format and listed in the order of in-text citation. Each listed reference is properly cited in the text. None of the references originate from online sources.
- 4. Three copies of figures are attached, each in a separate envelope with the caption and figure order specified on the back of each figure. Each table is printed on a separate page of paper and follows the requirements for the caption and format.
- 5. A copy of the Taiwan Journal of Physical Medicine and Rehabilitation Application Submission and Copyright Transfer Statement signed by all authors is attached as proof of consent.
